

Performance Motor Oil 10W/40

From a recognized leader of 100% pure synthetic performance motor oil with over 50 years of experience and development. Fortified with extra zinc and phosphorous creating a heavy duty film strength and load carrying capacity necessary for both flat tappet and roller cams. 4StreetRod™ performance motor oil improves gas mileage and is excellent as a break in lubricant. Engine builders prefer and recommend this product for hi-performance driving on street and strip. During the initial start-up after periods of storage, 4StreetRod™ provides a protective film of lubrication and prevents metal to metal contact between all internal engine parts.

- Provides protective lubricating film to prevent metal to metal contact
- Improves sealing between piston ring and cylinder wall to maximize engine performance
- Superb break-in lubricant
- Enhances fuel economy
- Formulated and designed for hi-performance sports car, exotics, and vehicles with four wheel drive

CHARACTERISTICS

Pour Point -29°F
Flash Point 480°F
Viscosity @ 100 12.50 cSt Min 16.30 cSt Max **12.80 cSt Typical**
Product Color Red
Chemical 100% Pure Synthetic

CERTIFICATIONS

API SL/CF

DIRECTIONS

Fill crankcase to manufacturer's recommended level. Change lubricant when it becomes discolored with engine contaminants or as recommended.

COMPATIBILITY

Compatible with conventional engine oils and most synthetics.

PART NUMBERS

10W/40 SRP: 10 QT CASE
10W/40 SRP-5 GL: 5 GALLON PAIL
10W/40 SRP 30 GL: 30 GALLON DRUM
10W/40 SRP 55 GL: 55 GALLON DRUM

RECOMMENDED APPLICATIONS

Muscle Cars
Street Rods
Classics/Sport
Vintage/Antique Cars
Trucks/4 Wheel Drive
